Back on the market - buyer was not able to financing. The renovations have just been completed on this very cute bungalow located on a "dead end" street with limited views of the Nanticoke River from the front porch. The main floor features a great room open to the kitchen along with 2 bedrooms on the main floor and an updated full bath. The upper level has been finished as a master bedroom with another updated full bath. All new LVP flooring throughout and a great new kitchen with granite counters and tile backsplash. The basement offers plenty of storage space in addition to the big storage shed in the fenced yard. Take a look quickly, as this one will not last long!
