Residential on 0.22 Acres

BATSON CREEK ESTATES, Frankford, DE

Want a home featuring the best of two worlds? A house tucked away in a peaceful cul-de-sac with a three-season porch that overlooks a field of green trees as far as the eye can see, with a pond, cardinals and other birds happily chirping, and located in a smaller tree-lined community that's only 15 minutes from the beach and close to shopping. Then this two-level, four-bedroom house is waiting for you.

Upon entering, there is a formal dining room, a front bedroom and full bath. Then walk down a hall past another bedroom/study to the open floorplan living room, kitchen and expanded eat-in area. Around the corner is the primary suite featuring a tray ceiling, two closets and an en-suite bathroom. Up the stairs you'll find another bedroom, full bath and an extremely large open room which can be anything that suits your family and imagination. Other amenities include upgraded kitchen quartz counter tops, island farm sink, gas stove, and wall oven with microwave. But the star of the house is the back porch, with its combination of screens and vinyl windows framing an expansive, treelined view with a pond. It truly is the jewel of the community.
