2 Bedroom, 2.00 Bathroom, 1,158 sqft

Residential on 1.49 Acres

NONE AVAILABLE, Laurel, DE

Experience peaceful country living on this beautifully renovated 1.49-acre property in rural Sussex County, DE. While the home has a Laurel mailing address, it's located in the Seaford School District and just minutes from Georgetown. With NO HOA, meaning no rules and no dues, you'll enjoy the freedom to make this space your own.

The property underwent an extensive remodel in 2023 and 2024, to such an extent that it is now essentially, but not technically, a stick-built home on a permanent foundation. Inside, you'll find Luxury Vinyl Plank flooring throughout, wide baseboards, crown molding, and color-changing, dimmable LED recessed lights in every room. Soffit lighting on the exterior is also dimmable, adding a stylish evening glow.

The well-designed kitchen features Samsung SMART appliances—including the refrigerator, gas stove, built-in microwave, and dishwasher—all of which are smartphone programmable. Ample cabinetry provides exceptional storage in the compact yet efficient 960-square-foot floor plan.

The AC system includes a built-in humidifier, ensuring year-round comfort, and utility costs are impressively low—electric bills are generally under \$100/month.

Outside, the spacious lot backs to a peaceful cornfield and boasts mature, healthy trees.

There's a concrete-floored shed with an overhead garage door, electricity, and water, perfect for hobbies, storage, or a workshop.

Additional highlights include exterior motion lights, two backyard security cameras, and a cozy fire pit for entertaining under the stars. A standard septic system is in place. This is a scarce find: a completely updated, energy-efficient home with modern features and ample room to roam in a quiet, no-restrictions country setting. All this for a reduced price of \$334,900. This home has it all!
