RESERVES OF NASSAU, Lewes, DE

A lightly used third floor corner flat chosen 21 years ago for its brightness, and access to the ocean breeze that reaches every property on the East side of Rt 1. Central to the attraction is the living, and dining rooms, as well as the kitchen sharing a large open space. Outside is a well-appointed enclosed porch and a cozy balcony to add to the enjoyment of sounds of nature and happy sounds from the community pool. This home is perfect for having only one neighbor in a multi-story building, for avoiding traffic over the Nassau bridge, and being adjacent to the Lewes to Georgetown bike path. Three pond fountains send up their soothing sound each evening to add to one's relaxation and gently reminds you to greet the sun in the morning. Breakfast is a short walk to the corner as well as a night cap and social interaction. The master and second bedrooms are large and well positioned at the corners of this spacious unit. The sunniest. This unit and the two below it, are unique in that they are the only units to which a new, high-quality, heavy-duty water service line has been installed in the last 21 years. No worries. Furniture is negotiable
